

SON ORGANIZATION

2024 ANNUAL IMPACT REPORT

Info provided by: Ebony McClenny

Creating a comprehensive annual impact report allows a nonprofit organization offering trauma-informed services to communicate its successes, challenges, and future plans effectively. It serves as a valuable tool for stakeholders, funders, and the community to understand the organization's impact and the importance of its work

Data Used to support Report:
JANUARY 2024- DECEMBER 2024

2024 ANNUAL IMPACT REPORT

STATISTICS

Percentage of youth in the Juvenile Justice system who have experienced some form of : ACEs (ADVERSE CHILDHOOD EXPERIENCE) - TRAUMA

Trauma-informed care plays a crucial role in supporting youth in at-risk communities by addressing the impact of trauma on their well-being. It fosters a safe and empathetic environment, acknowledging the challenges they face.

WHY TRAUMA-INFORMED CARE IS SO IMPORTANT.
